

Le Vent M`A Dit

A love movie – scene number ten
She smiled at me – in Rue de Seine
The nighttime rain – soir de la pluie
And every day this déjà vu
A Paris dream – night love affair
She stole my heart – in Rue Joubert
Atlantic rain – falls down again
We walked the Boulevard du Maine
A violin – the angel sing – just for you and for me
Old memories in Rue du Mont Cenis

Le vent m`a dit -
your sweet love is my destiny
Oui, c`est la vie
Mademoiselle it`s a melody
Le vent m`a dit -
your sweet love is a symphony
Je t`aime cherie
Come back to me

A summer love – Bistro Sandrine
She took my hand – an endless dream
This night in June – I lose my mind
A girl like you is hard to find
Hotel Le Parc – Champs-Elysee
Chambre d`amour – love odyssey
La Passion – two hearts collide
I kiss you till the morninglight
A mandolin – Caruso sings – just for you and for me
Old memories in Rue de Paradis

Tu et moi – the last goodbye in Rue Joly
Au revoir – I miss your smile, cherie
