

How I'm gonna catch you?

Lonely tears are falling, they can't take away the pain
It's a feeling lost in silence, 'cause you won't be back again
Now a dream is lost forever and time's not on my side
How can I feel - that life is real - if you were my delight?

how Baby Blue will my life renew
how I'm gonna catch you, how I'm gonna catch you
I was blind, not to find, to unkind
and I got you on my mind ...

Ha ha ha - once my life was wunderbar -
let me feel how we could dream
Every day and every hour I will wait inside my tower
to cure my self esteem
Ha ha ha - my life was wunderbar
let me know what can I do?
Every day and very hour I'm alone inside my tower
And I am still missing you

How I'm gonna gonna catch you babe?,
how I'm gonna gonna catch you?
How I'm gonna gonna catch you babe?
will I ever gonna get you?
How I'm gonna gonna catch you babe?,
how I'm gonna gonna catch you?
How I'm gonna gonna catch you babe?
Oh my life so blue
still I'm missing you

Once I was in heaven, now I'm feeling all alone
All my life got lost, and I'm feeling tossed
while I'm sitting on that throne

how Baby Blue will my life renew
how I'm gonna catch you, how I'm gonna catch you
I was blind, not to find, to unkind
and I got you on my mind ...

Ha ha ha - once my life was wunderbar -
let me feel how we could dream
Every day and every hour I will wait inside my tower
to cure my self esteem
Ha ha ha - my life was wunderbar
let me know what can I do?
Every day and very hour I'm alone inside my tower
And I am still missing you

How I'm gonna gonna catch you babe?,
how I'm gonna gonna catch you?
How I'm gonna gonna catch you babe?
will I ever gonna get you?

How I'm gonna gonna catch you babe?,
how I'm gonna gonna catch you?
How I'm gonna gonna catch you babe?
Oh my life so blue
still I'm missing you
