

## Love & Hope

Sunrise wake up and find your way  
Sing a song for freedom  
Pray for love and hope  
Cross the darkest valley  
Climb the Top  
See the world but  
News on the TV hard to endure  
Leaders lying cheating stand up  
Fight for peace and freedom  
Pray for love and hope  
Cross the darkest valley  
Climb the Top  
Show the world that  
Love is the answer peace is the way  
Trust your power waiting for the  
Sunrise wake up and find your way  
Blue skies follow you all the day  
We don't give up to believe in a change  
Together united we will join and  
Sing a song for freedom ..... and  
Fight for peace and freedom .....
